Made to Order. Made with you in mind.

With almost 30 years of manufacturing experience, American Bedding understands exactly what you need to ensure that your facility operates at peak performance for your clients, guests, and residents. We pride ourselves in being one of the only direct-to-consumer manufacturers of institutional bedding in the industry.

- Our unique position allows us to:
- Meet unique mattress specs
 - Produce volume orders on a tight timeline
 - Increase our sensitivity of market demands/changes
 - Provide quality products at a competitive price point
 - Institute rigorous quality control measures

A Team of Excellence

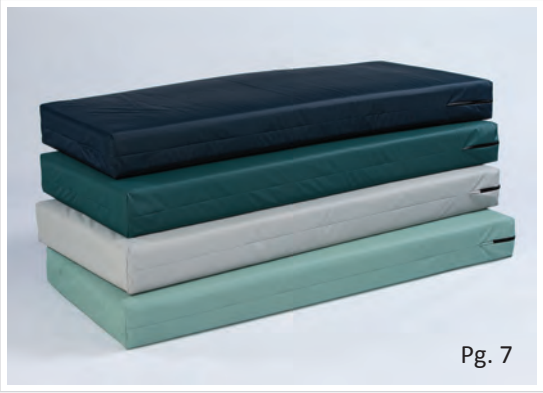

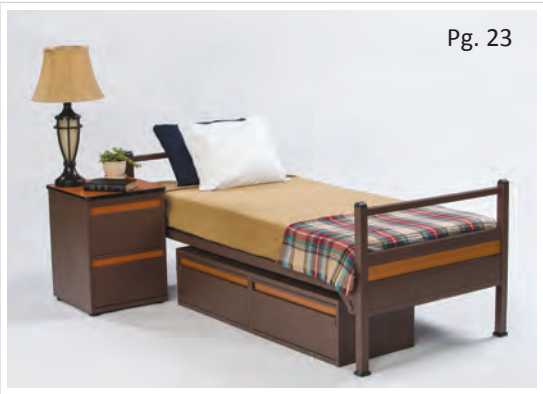

Our ability to continue leading the industry with our standards of excellence over the years is a testament to the dedication and hard work of all our team members.
