BUILT FOR CAMPUS LIFE.

DESIGNED TO LAST.

Better rest. Brighter futures.

COLLEGES • UNIVERSITIES • STUDENT HOUSING

Rest well.
Learn well.

MATTRESSES BUILT FORCAMPUS LIFE

Durable, easy-to-maintain, designed for the real-world demands of student housing. Our mattresses deliver long-lasting performance, so students can focus on what mattres.

SCAN ME

PREMIUM FOAM MATTRESS

designed for enhanced comfort, lasting durability, and dependable support. Ideal for student seeking an upgraded sleep experience built to withstand seasonal use.

DORM INNERSPRING

Traditional innerspring mattress offering responsive, supportive comfort with a familiar residential feel. Ideal for student housing seeking a more traditional sleep experience compared to foam mattresses.

REGAL MATTRESS

Delivering enhanced comfort and dependable support with a durable construction designed for high-use environments. An ideal choice for student housing and hospitality settings.

REPLACEMENT COVERS

Replacement mattress covers extend mattress life with durable, easy-to-clean protection. Available in Vinyl, OX, and OX-P for high-use environments.

FOAM ENCASED MATTRESS

Foam-encased innerspring mattress offering responsive support, reinforced edges, and enhanced comfort for student housing.

AMERIPEDIC MATTRESS

Delivers premium comfort with layers of supportive memory foam and breathable, temperature-regulating technology. Designed for superior cushioning, lasting support, and a residential-quality sleep experience.
